

40th Annual Meeting of the
Society of Tennessee Archivists
November 1-3, 2017 * International Story Telling Center * Jonesborough, Tennessee

“Archives in Action: Activism and Advocacy”

Wednesday Workshop: 1-4pm, International Story Telling Center

Advocating for Social Studies: Education Outreach at the Tennessee State Library and Archives with Kelly Wilkerson and Casey Gymrek
Cost: \$25.00

In recent years, the Tennessee State Library and Archives has devoted significant resources to expanding its education outreach program with the goal of supporting teachers and students in the classroom. Join us for a workshop that explores how the Library & Archives shares the historic documents and photographs in our collection with teachers and students in grades Kindergarten through 12 and at the college level. This workshop will include hands-on activities demonstrating how we engage teachers and students in primary source analysis and will give participants ideas for attracting teachers and students to your own collections.

40th Annual Anniversary Meeting Sessions, Thursday: 9am until 4:30pm, International Story Telling Center
